

# 100 YEARS OF SCOUTING

*Celebrating the Adventure ★ Continuing the Journey*

We are offering a beautiful commemorative collection of six patches, a pentagon center patch, and five council shoulder patches that will surround it to make a 8" around collection that everyone is sure to want.

The requirements will be as follows:

The center patch is available for purchase by all, no requirements.

1. Celebrate Alumni patch – Organize and conduct an Alumni outreach event in your unit during 2010. Promote the event and try to find alumni. This can be a picnic, a Blue and Gold, a dedication, a tree planting, a special Court of honor, use your imagination. Try to find and bring back your old scouts to celebrate! Then you can purchase these patches for all your members.
2. Community Service – Scouting for Food, a roadside cleanup, or some project in town to show that scouts make a difference. Purchase your patches for your members after you are done.
3. Support Friends of Scouting with a gift of \$60. The FOS patch is yours.
4. Attend Elk Lick or Camp Merz for a Summer Camp session. Those who attend can purchase the patches at camp.
5. Sell Trails End Popcorn in the Fall Sale, and your members who participate can buy one. Every "\$600 Club" scout will get one patch free.

There will also be an exclusive silver mylar bordered set of these patches offered to those who give or get \$1000 for Friends of Scouting. There will be 100 (appropriate quantity) numbered sets made and framed. Ask your district executive for details on how to get yours!
