## Program Theme

### “Just add water!”

<b>Get Wet!</b>	This year we are honoring the Navy. Scouts should prepare for military-like events as though they are going through a scout version of basic training.
<b>Patrol and Individual events</b>	Patrol and individual challenges and games will be scheduled for all of Saturday. This year's games will be geared towards getting wet. BE PREPARED!!
<b>Individual Games</b>	Individual events are skill-based. We are not going back to the basics, just back into the fun of Scouting at its best and being physically prepared.
<b>Patrol Contests</b>	We are ready to honor all patrols that get to 'em all! There will be a special award for participation!
<b>Iron Scout Triathlon</b>	We are pleased to offer the Iron Scout Triathlon. This event is open to all Scouts and Scouters over 14 years of age. Awards are given in several divisions. As all other Triathlon events, this is a fitness based event.
<b>Campfire</b>	This year will be something special, a merging of the past with the present...See you there!
<b>Be Prepared</b>	<p>Elk Lick has a varied terrain, and Farmer's Valley, PA has a weather and climate pattern all its own. Please be certain that you dress for mud, wet and any other form of decoration that could ruin your uniform. Scout uniform is appropriate at welcome, at Opening, Closing and Services.</p>
